

P-Clip (Half Saddle) 304

NERO's range of Half Saddle P-Clips are made from 304 stainless steel.

We keep Seamless Tube to suit these P-Clips. The Tube is stocked in 6 mtr lengths and we can sell this by the metre, this enables us to supply lengths as short as 1 metre long.

We can also offer an accurate cutting service on any of our tube to a tolerance of +/- 1mm.
